

High-quality, Tech-enhanced Social Studies Curriculum

Powered by KIDDOM

Bayou Bridges by Core Knowledge Foundation® brings together structured, standards-aligned (2022 K-8 Louisiana Student Standard for Social Studies) lessons with primary sources and multiple opportunities for assessing student learning.

But, navigating that vast content to find key elements, assign activities at the right moment, and plan efficiently can take time and energy. We're in your corner: **Kiddom streamlines planning, delivery, and assessment with powerful technology.**

Kiddom Enhances Your Use of Bayou Bridges

MAP ALL CURRICULAR CONTENT

The digitized TE and lesson elements make it easy to jump to any linked activity for group instruction or assign it. No more losing your place or spending time searching through all that great content to find what you need.

PERSONALIZE TO DIFFERENTIATE INSTRUCTION

Directly edit content to annotate your lessons, differentiate to meet the needs of all students, or create checkpoint assessments on the fly with 15 question types including audio and video responses.

WAYS TO ASSESS

- Checks for Understanding at the end of each chapter
- Use Chapter Assessments for summative testing
- Oral and written Performance Tasks

The screenshot displays the 'Bayou Bridges Powered by Kiddom' interface. On the left is a sidebar with navigation icons. The main content area shows 'Assignment Info' with a status of 100% (18/18 Submitted) and a grade average of 74%. Below this is a table for 'Student Grades' with columns for 'Student Name', 'Question 1', and 'Question 2'. The table lists a 'Class Total' and four individual student profiles with their respective scores and question results.

Student Grades		Questions (16)
